

2022 RECRUITMENT PLAN

GOAL

The primary goal of department recruitment activities will be to attract qualified candidates for employment that will enable the department to work toward its long-range goal of employing a sworn workforce that reflects the diversity of the population of the community the agency is charged with protecting and serving, thereby making the police force more effective at promoting public safety.

OBJECTIVES

Recruitment activities will be a department-wide responsibility and will occur year round. All members of the agency play a crucial role in this very important function and will have knowledge of the application process as well as the then current Recruitment Plan. The current Recruitment Plan will be published through Power DMS.

The Administrative Division Commander or designee is tasked with putting a plan together to coordinate and document all of the agency's recruitment activities for the upcoming hiring process. On an annual basis, the Administrative Division Commander or designee will conduct a written annual analysis and review of the Recruitment Plan to determine if the goals and objectives are being met and if not, what adjustments will be made.

The 2021 Annual Recruitment Plan Analysis, which was completed in January 1, 2022, determined that the Black and Asian populations are underrepresented within the sworn law enforcement ranks of the Evesham Township Police Department. Therefore, one of the objectives of the 2022 Recruitment Plan is to attract these particular minority groups and notify them of upcoming employment opportunities. Since the completion of the 2021 Recruitment Analysis, the Evesham Township Police Department has hired 3 additional full-time officers to replace the officers who recently retired. Those officers that were hired since that time consist of: one, White, Hispanic male and two Black, Non-Hispanic males. These numbers have been reflected in the charts below which indicate that the Black and Asian populations are still underrepresented with the sworn law enforcement ranks of the Evesham Township Police Department. Therefore, efforts to attract these particular minority groups will continue. It should be noted that males and females are properly represented in the sworn law enforcement ranks of the Evesham Township Police Department.

2022 RECRUITMENT PLAN

2021 Racial Demographics

Currently, of the 93 sworn officers, 77 (82.79%) are White, 6 (6.45%) are Black, 7 (7.52%) are of Hispanic ethnicity and 3 (3.22%) are Asian. The United States Census Bureau's statistics revealed that Whites represent 84.5%, Blacks represent 5.9%, Hispanics represent 5.1% and Asians represent 6% in Evesham Township.

The Township of Evesham now has the ability to sponsor applicants through the Police Academy. Therefore, the available workforce has expanded from previous years. With that said, it is expected that the interest for the positions of full time Officer and Special Law Enforcement Officers I, II and III will include State residents but more specifically local and tri-county residents, recent or soon-to-be college graduates, recent or soon-to-be graduates of the alternate route programs, current Special Law Enforcement I, or II Officers from across the State who are eligible for waiver of their training, current full time officers looking to transfer to this department from the agency in which they are currently employed and finally, interest from recently retired members specifically for the position of Special Law Enforcement Officer III. The Department will make every effort to spread the word, state-wide, about our hiring, in order to attract the most qualified candidates. The action plan to reach and attract the most qualified and diverse group of candidates is listed below.

Those applicants that pass the oral interviews and are selected to progress to the next phase in the hiring process will then be given a **Personal History Questionnaire** to complete in its entirety. The applicant will be given at least two weeks to complete the questionnaire and return it to the Administrative Division Commander or designee.

BACKGROUND INVESTIGATION

The Chief of Police and other members of the interview board will then review the results of each applicant's oral interview and their **Personal History Questionnaire** to determine which candidates will move onto the background investigation phase of the process. The applicants chosen for the background process will have their information forwarded to a qualified background investigator. The investigating officer will have two to four weeks to complete the background checks and provide a detailed report of their findings.

FINAL DECISION ON HIRING

After the background investigations have been concluded, the Chief of Police will make a recommendation to the Township Manager identifying the candidates who are determined to be most suitable for employment. Background investigations will follow along with recommendations to the Township Manager and conditional offers of employment to applicant. This process may be repeated throughout the year in the event additional openings within the agency become available.
